"Accommodations for GED Testing are available for qualifying individuals."

GED Score notification-new policy 05/17/2010---you can call your ROE for scores

In addition all examiners have a green placement/seating card at their station for each test session. On that card scores from the previous session will be logged. When examiners have completed and passed all their GED tests they will receive, by mail, their "unofficial score report" from the testing center.

Illinois residents must meet all of the following requirements to be eligible for an Illinois High School Equivalency Certificate:· attain a minimum Total Standard Score of 2,250 on the entire battery (average score of 450 on each test); AND· attain a minimum Standard Score of 410 on each of the five GED Tests; AND · attain a passing score on the Constitution Test

Double asterisks (**) indicate that your total standard score is less than 2,250.

Four asterisks (****) indicate that your essay received an inadequate rating.
